["Sculpture in motion" at Atlanta Botanical Garden \(8/2008-31/Oct/2008\)](#)

Sachiko Kodama is a scientist and artist that has explored the possibilities of ferrofluid in several of her art projects. In this page you will find information on her art works, and by clicking [here](#) you will be able to watch a video of a dynamic ferrofluid sculpture and to read an explanation of the art work by the artist herself.
